## INTRO

F – C – Dm – Bb (repeat)

## VERSE 1

Dark days will come, the sun cease to shine  
I'll never give up, I'll never give up  
When times are hard and I weep inside  
I'll never give up on you Lord  
You are the rock on which I stand  
Now I can lift my hands and say

## CHORUS 1

I'll never give up, I'll never back down  
Through the storms of my life, I will press on  
Reach towards that goal, fight for my faith  
Hold on to the promise that you gave  
The best is yet to come  
The best is yet to come

## VERSE 2

My faith may shake, my hope may fade  
I'll never give up, I'll never give up  
Through sorrow at night and pain in the day  
I'll never give up on you Lord

I know that joy comes in the morning  
Now I can lift my hands and say

## BRIDGE

Victory is mine  
Through the precious Son of God  
Paid at such a cost  
With the spilling of his blood  
The battle it is won  
By your strong and mighty hand  
Now I look toward that day  
When in glory I will stand

## CHORUS 2

I'll never give up, I'll never back down  
Through the storms of my life, I will press on  
Reach towards that goal, fight for my faith  
Hold on to the promise that you gave  
The best is yet to come  
The best is yet to come
